BURSARY APPLICATION LETTER

Dear sir / Madam -

I hereby apply for Craft in catering and accommodation bursary. I am currently doing my second year in Kibonderi College.

I am a hardworking student and my results do meet requirements. I am asking for a bursary due to struggles in paying my fees. My guardian who was assisting in paying my fees fell sick and lost his job. All he can raise now is used in taking care of my younger siblings and am left struggling to raise my fee. I had to drop out of school for a term to try and raise some money to pay for my fee.

Should I be offered the bursary I will work my level best to complete my studies with great marks. I hope that this will merit your preferential. Thank you.

Yours Sincerely,

~~AD~~,

MARY WAMBOA.
